6. The valuation, as established above, shall be binding only with respect to tax year 2003.
7. Brief narrative as to why the reduction was made: Value of hangar is based on the cost approach. Value reduction based on a lower quality table than originally used for the original assessment and the assessment defended at the County Board of Equalization.
8. Both parties agree that the hearing scheduled before the Board of Assessment Appeals on March 11, 2005 at 08:30 a.m. be vacated.
9. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement.
10. This Agreement does not prohibit the Assessor from increasing or decreasing the value for the 2004 tax year due to unusual conditions. Unusual conditions are referenced in 39-1-104(11) (b) (I), Colorado Revised Statutes, and include installation of an on-site improvement, the ending of the economic life of an improvement with only salvage value remaining, the addition to or remodeling of a structure, a change of use of the land, creation of a condominium ownership, or any new regulations restricting or increasing the use of the land or a combination thereof.
