~~Re: Accounts R990123, R990130, R990161~~

To Whom it May Concern:

The Board of County Commissioners for Montezuma County completed the review of your petitions concerning your possessory interest assessments on the above referenced accounts Monday, December 12, 2005. It was the decision of the Board to agree with the Assessor's recommendation on accounts R990123 and R990130. Since the 2003 taxes are paid the valuation should be adjusted to zero for tax years 2004 and 2005. Further the Board stated that timber possessory interest is taxable and is taxed one time only. On account R990161 the Commissioners agreed with the Assessor's recommendation that the 2005 valuation remain at \$12,200.

If you have any questions concerning this procedure, please don't hesitate to contact me.

Sincerely,

Thomas J. Weaver  
Montezuma County Administrator
