Notes:

Dear Ms. Helfer,

Thank You for your assistance on the telephone today. Based on the information you provided me, as well as the information from the Denver property tax exemption department, I believe the best course of action for Denver Metro village is to submit a new application for property tax exemption to the County, instead of proceeding with a protest hearing with your department. I plan to complete the re-application process over the next two weeks while I am in Denver.

Therefore, at this time I would like to request that your department vacate our appeal for a hearing. We respectfully withdraw our request for an appeal and will utilize the re-application option instead. If you need additional information or a formal letter requesting our desire to vacate, please let me know. I may be reached on my cellular at 505-228-0525, at the property 303-572-7716 beginning next week.

Thank you once again for your excellent information and follow through.
