vs.

LARIMER COUNTY BOARD OF EQUALIZATION,
Respondent

Petitioner(s) and Respondent hereby enter into this stipulation regarding the 2009 tax year valuation of the subject property. Petitioner(s) and Respondent jointly move the Board of Assessment Appeals to enter its order based on this Stipulation.

The Petitioner(s) and Respondent agree and stipulate as follows:

1. The property subject to this Stipulation is described as: An average quality, masonry, commercial retail structure located at 309 E 4th Street in Loveland Colorado.
2. The subject property is classified as a commercial property.
3. The County Assessor originally assigned the following actual value to the subject property:

Land	\$	135,000
Improvements	\$	300,000
Total	\$	<u>435,000</u>

4. After a timely appeal to the Board of Equalization, the Board of Equalization valued the subject property as follows:

Land	\$	135,000
Improvements	\$	300,000
Total	\$	<u>435,000</u>

5. After further review and negotiation, the Petitioner(s) and County Board of Equalization agree to the following actual value for tax year 2009.

Land	\$	135,000
Improvements	\$	200,000
Total	\$	<u>335,000</u>

6. The valuations, as established above, shall be binding only with respect to tax year 2009.

7. Brief narrative as to why the reduction was made: After a physical inspection was made of the property it was determined that the structure was being remodeled and that as of the assessment date the property was not usable as a commercial building. The improvements were reduced by the cost of the remodel to bring it into compliance with local building codes.

8. Both parties agree that the May 24, 2010 hearing scheduled before the Board of Assessment be vacated.
