STIPULATION (As to Tax Year 2013 Actual Value)

John C Hardy Trust
Petitioner(s),

vs.
SUMMIT COUNTY BOARD OF EQUALIZATION,
Respondent

Petitioner(s) and Respondent hereby enter into this Stipulation regarding the tax year 2013 valuation of the subject property, and jointly move the Board of Assessment Appeals to enter its order based on this stipulation.

Petitioner(s) and Respondent agree and stipulate as follows:

1. The property subject to this stipulation is described as:

LOT 91 HIGHLANDS AT BRECKENRIDGE #

2. The subject property is classified as residential property.

3. The County Assessor originally assigned the following actual value to schedule 6500088 for tax year 2013:

Vacant Land \$ 318533

4. After a timely appeal to the Board of Equalization, the Board of Equalization valued schedule 6500088 as follows:

Vacant Land \$ 318533

5. After further review and negotiation, Petitioners and County Board of Equalization agree to the following tax year 2013 tax value for schedule 6500088:

Residential Land \$ 318533

6. The valuation, as established above, shall be binding only with respect to tax year 2013

7. Brief narrative as to why the reduction was made:

In February 2020, the Colorado Supreme Court ruled on three cases regarding classification of vacant parcels. The *Mook* case considered the physical contiguity requirement and the court held that “only parcels of land that physically touch qualify as ‘contiguous parcels of land’.” The *Hogan* case considered the “used as a unit” requirement and court held that a residential improvement is not required on each contiguous and commonly owned parcel of land. Finally, the *Kelly* case considered the “common ownership” requirement and the court held that county records dictate where properties are held under “common ownership”.

The Assessor’s Office has reviewed the above referenced property to confirm that it meets the requirements as described above and ruled by the Colorado Supreme Court. The above referenced property has met the requirements, reclassification of the property as residential land is warranted.
