7. Brief narrative as to why the reduction was made: Appropriate consideration was given to the sales comparison approach to value. This stipulation takes into account the subject property's attributes after comparison and appropriate adjustments to timely, proximate, and similarly situated comparable sales, and that this particular lot had an unusually high mill levy during the appraisal time period.
8. Both parties agree that the hearing scheduled before the Board of Assessment Appeals on September 8, 2017, at 8:30 am be vacated.
9. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement.
