7. Brief narrative as to why the reduction was made:

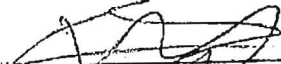

Upon inspection of the property by Respondent, the quality of construction was found to be overstated. In addition, the property suffered damage in the 2013 flood that has not been repaired, creating a condition issue requiring adjustment.. Appropriate consideration was given to the sales comparison approach. This stipulation is based upon comparison and appropriate adjustments to the comparable sales.

8. A hearing has not been scheduled.

9. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement.
